Outcome of consultation on the structure of PH Operator licence fees

Earlier this year the PCO consulted on the licence fee structure for private hire operators.

A summary of the outcome the consultation can be found on the TfL website at tfl.gov.uk/pco.

There are no immediate plans to change the present structure. The outcome of the consultation will be taken in to account during the normal periodic reviews of the private hire licence fees.

Any changes made to the fee structure would be introduced following approval by the TfL Board.
